

PRESS RELEASE

Burdick Named Trumbull President

Columbia, SC May 9 – Brad Burdick has been named President of Trumbull Services, LLC. Burdick will divide his time between the Windsor, CT and Columbia, SC offices.

Most recently an executive at a Top 10 P&C insurance carrier, Burdick brings an extensive background in service operations, sales, and distribution. His past responsibilities have included strategic initiatives, performance measurement, sales teams, training, quality, and process improvement. Burdick has a diverse background and, prior to insurance, has been successful in a variety of leadership positions including CEO of a mid-sized luxury real estate firm, general manager of two business units in an Internet start-up company, a managing consultant with an international consulting firm and a research engineer at a national laboratory. Throughout his career, Burdick has focused on strategy, technology innovation and development, and operations.

"I am excited to be a part of Trumbull Services and driving its vision for the future," said Burdick, "and believe that my broad set of experiences and passion for technology development will be an excellent fit for the quality team that Trumbull has built."

Burdick has Bachelors Degrees in Mechanical and Civil Engineering, and a Masters Degree in Structural Engineering from the University of California. He also holds an MBA from MIT's Sloan School of Management.

Trumbull Services is a Windsor, Connecticut based company providing business process outsourcing (BPO) and application service provider (ASP) solutions to the insurance industry. Insurance services and technology applications include policy administration, subrogation recovery, and premium billing.
